Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322.

The alleged errors in your request, cols. 4, 5 and 6, claims 1, 11 and 16, the request to delete "a" and insert "the shower filter comprising" in claims 1, 11 and 16, instead of inserting this term before "a" in these claims (as in the original request), would result in claims which are not grammatically correct. Also, deleting "therein" from claim 1 would appear to broaden the scope of this claim.

In view of the foregoing, your request is hereby again denied. However, further consideration will be given upon receipt of a Request for Reconsideration directed to Decisions & Certificates of Correction Branch.
